Policy Privacy

Privacy policy in accordance to article 13 of EU Regulation 2016/679

Pursuant to article 13 of Regulation (EU) 2016/679, we inform you that the personal data acquired are processed, also through automated means, by Politecnico di Milano – Department of Chemistry, Materials and Chemical Engineering "Giulio Natta", for the participation to the event.

The purpose of personal data processing is related to participation and documentation of the event. The data provided will be used only to organize, manage and document the event. The storage period of personal data is the time strictly necessary to organize and manage the event.

Rights of the data subject

- right of access of the interested party;
- right to correct personal data;
- right to cancel their Personal Data without unnecessary delay ("right to be forgotten");
- right to limitation of his/her personal data processing;
- right to object to personal data processing;

With reference to the aforementioned purposes, the interested party has the right to proceed, at any time, to access, modify and withdrawal of consent for identity and personal data processing by sending an email to: comunicazione-dcmc@polimi.it.

Identity Data Controller and Contact Point

The Data controller of Politecnico di Milano is the General Manager upon authorization of the pro-tempore Rector – contact: dirgen@polimi.it

Responsible for data protection and contact points

Dr. Vincenzo Del Core – contact: privacy@polimi.it
